## Did You Ride Today?

Jack Helffrich, President

*"On the road again, I just can't wait to get on the road again"*

~ Willie Nelson

My granddaughter Julie will be two years old on May 20. From my perspective, which is totally objective and completely devoid of emotion, she is the sweetest little thing on earth. The only negative in her entire existence is that she lives three hours away in New York State, so, while I am looking forward to seeing her this weekend and celebrating her birthday, I am regretting the loss of six hours of prime biking time. Worse than that, I spent most of last Saturday in my yard and what began as a simple mulching project eventually grew to involve a wheelbarrow, rake, utility trailer, lopper, peavey, several shovels and a chain saw: We don't own things, they own us.

It's not that we can't ride in winter, but there is something about springtime when the warmth of the sun on a clear day is just enough to balance the cool morning air. Sometimes it feels so good to be out on the road, you just hate to turn toward home knowing the turn signals and the eventual end of the ride. As this was bike to work week, I managed to do one day in four. (though Rob Erbeau works from home, he reported circling the living room repeatedly.) Pedaling home from work today, I kept thinking that if I had not commuted by bike, I could have gone out on a nice club ride in the evening. I strongly feel that we need more daylight hours in each day. Possibly shorter working hours would also help.

The LWA has an interesting variety of upcoming rides. Join us for the Ride of Silence, a memorial ride for Rudy Dippl, the Veloce and a Pagoda Ride. Check the website for details.

Also, don't miss the opportunity to witness the Lehigh Valley Classic bicycle race on June 3. This should be an exciting event and a great showcase for the Lehigh Valley. And if you need a bicycle part, tool, attire, or even a new ride, visit one of the local bike shops. In my experience, they are all excellent and support the LWA and local cycling in many different ways. We have never received sag support from a catalog.

Regards,

Regards,

Jack Helffrich

### Junior Team Notes

Gwen Hoover, Junior Coordinator

#### Junior News and Notes

Regular smoothie rides... please check on-line calendar for times. All kids ages 9+ are invited (road bikes required for children) Parents encouraged to participate. 20 miles, stop in Topton at 1/2 way point. Sometimes the older kids ride during the break. If your child or someone you know is interested in Youth Cycling, please check our web page at [www.lehighwheelmen.org](http://www.lehighwheelmen.org) (then click on JUNIORS). There is lots of information on the site for kids who are just getting started.

We have loaner bikes (road and track) for most sized kids (down to 7 or 8 years old). Feel free to contact Gwen Hoover ( the junior development coordinator ) at [g Hoover@ptd.net](mailto:g Hoover@ptd.net).

Thursday night training criteriums have started at Rodale Park . see [www.lehighwheelmen.org](http://www.lehighwheelmen.org) (Race flyers) for more details.

Next big team events are June 6 Manyunk Amateur Hill Climb and June 7<sup>th</sup> Tri State Velo Junior Time Trial (8mile). Both are in Philly. Oley Valley Road Race on July 13, then we put on the Nicole Reinhart Memorial Tour de FCCC on July 19 and 20<sup>th</sup>. We hope to sponsor a week of junior cycle events, (races, clinics and social) between the Oley Valley and Tour de FCCC events.

## Recreational Riding Schedule

Dave Drummer, VP Touring

Thanks to those members who have indicated that they would be willing to occasionally lead a C group for a cue sheet ride or to offer the ride in the afternoon as well as in the morning. Anyone who is interested in helping with this, please contact me: [beammeup@fast.net](mailto:beammeup@fast.net).

The 13th Not Quite Annual Brewery Ride is June 28th. There are 55 gallons of beer sitting in my basement, in desperate need of thirsty riders. As always, I am looking for a stoker for my tandem. BE THERE OR BE SQUARE! Check the listing in June...

Looking ahead to July, the Pagoda Ride is scheduled for July 4th. The traditional ride leaves the Velodrome at 9:00, or you may want to join me on a shorter version of this ride that starts in Bowers at 9:30. The short route includes all of the great climbs to the Pagoda and up Baldy Hill (or Forgedale road), and then finishes with a downhill plunge back to the park in Bowers. A great way to be a bit more conscious for that afternoon picnic!

Finally, the Veloce will return to its original format this year, as a members only ride. No fee to ride, and the club juniors have

graciously offered to run the snack/lunch area at the Rodale Park. Check the calendar listing for more details, to be posted soon.

Except where noted, non-members are welcome to participate in LWA rides. Riders under 18 must be accompanied by an adult. You must have a bicycle in good working order, carry a spare tube and know how to change it, obey all traffic rules, ride single file where necessary, and sign in at the ride start, giving your name and an emergency phone number. Please carry identification and the name of an emergency contact.

#### HELMETS ARE REQUIRED ON ALL RIDES !

Most club rides take place on the road, but there are also some off-road rides scheduled. For road rides, most riders use road bikes having narrow, high pressure tires. Wide, low pressure tires will make it harder to keep up with the group.

If you haven't ridden with a group before, or are not sure that you can keep up with a group, try one of the rides listed as a "Social Pace" or new member ride. No one gets dropped on rides advertised as such. Actually, ride leaders try not to drop anyone on any ride, but one person's "moderate" pace can be another person's "impossible" pace.

REMEMBER: Ride leaders should download a ride sign-in sheet, have all riders sign it, then return it to Lehigh Wheelmen Assoc., PO Box 140 Trexlertown, PA 18087

Check the LWA Member's Website at <http://lwa.pryzm.net> for last-minute changes, cancellations, and additions.

If you are interested in a ride, please make an effort to contact the Ride Leader, so you can be "in the loop", should a last minute change or cancellation occur.

#### 3 Trails Ride

D F / 8-24 mi 1:00PM Slatington parking lot by the bridge over to Walnutport

There are 3 trails that can be accessed from where we park-the Slate trail, the D&L (Delaware and Lehigh trail and the Walnutport Canal. Please check back at this posting for updates because there may be construction on a bridge on Main St. Slatington that may affect how you get to the parking area and how we access the slate trail. All three trail are out and back and end in or near the parking lot so you can do as little as 8 miles or as much as about 24 miles. Email or call with any questions. Hope to see you and ride with you on the trails.

Directions: Meet and park on the stone parking lot across from Sal's Pizza 102 Main St. Slatington (by the bridge over to Walnutport).

### Monday Night 'A' Ride

**A H** / 30-40 mi 5:45PM Velo

Definitely a 'group' ride as opposed to a 'drop' ride, as emphasis will be on a steady tempo, usually with one or more climbs of note since KOM's are fun, after all. PLEASE honestly assess your ability because, while no one minds waiting to regroup at the top of a climb, slowing the pace down on the flats or rollers can compromise our return time if the ride is longish and we're fighting daylight. Naturally as we get closer to home the ride may break up for those who are feeling particularly feisty. Note that there may occasionally be gravel roads included; conditions vary.

### Pedaling for Pizza

**C R** / 21 mi 5:30PM Coopersburg Giant

This ride is optimized for people born when Harry Truman or FDR was president. People born when Eisenhower was president will have to hold back a little bit, and anyone younger than THAT will find bungee cords attached to their rear racks. People who were bike racers back in the wool-and-Cinelli era can re-learn wheel sucking, but this time it'll be at a sedate pace not to exceed 15 mph, and usually a lot less than that. We will leave from the Coopersburg Giant at 5:30 every Friday when the weather is decent, go for a ride of, oh, 20 miles or so, and then return to Coopersburg, make a group decision about which pizza joint to invade, and then eat 3X as many calories as we burned on the bike ride. Conversation will be supremely intellectual, reflecting the maturity and status of our mature group. Minors will be permitted, provided that their SAT scores are high enough.

### NATIONAL TRAILS DAY

 **D F** / 1 mi 10:00AM D&L Trail along Lehigh River

Your help is needed! June 7th is NATIONAL TRAILS DAY. The D&L (Delaware and Lehigh) trail is planning on installing mile markers on improved sections of the trail along the Lehigh. there are three areas where markers will be installed: Freemansburg to Bethlehem, Parryville to Weissport and Walnutport and Slatington. The process is simple but we do need people to execute it. The D&L will dig three-foot holes for the posts prior to June 7. The D&L also will provide concrete and the hardware that is necessary to attach the signs. What we need is people who are willing to erect the posts, level them and secure them in the concrete, which will be a dry mix that absorbs moisture from the soil. There will not be a need to mix the concrete with water. Materials will be available the morning of June 7. We have a special need for wheelbarrows in order to take the concrete bags and other materials to the marker sites. In other words, volunteers will get some exercise walking along the trail. I just put in 10AM but you should check with the coordinator on the time. Please contact Dennis Scholl, (Outreach Coordinator Delaware & Lehigh National Heritage Corridor), at [dennis@delawareandlehigh.org](mailto:dennis@delawareandlehigh.org) or call him at 610-923-3548, ext. 225 if you would like to help. Please help with this project. It will be an asset to all trail users. Thanks! PS The D and L's web site is <http://www.delawareandlehigh.org/>

### Schuylkill Trail Ride 9

 **B F** / 50 mi 9:30AM Oaks, PA

The ride on the scenic Schuylkill River Trail is something that is worth the drive. This ride is best enjoyed on a road bike. We will follow the Schuylkill Trail from Lower Perkiomen Valley Park in Oaks, Montgomery County (just west of Valley Forge) to the Philly Art Museum and return. We will stop in Manayunk for lunch at Le Bus. We should be back to Oaks by about 2 PM.

Directions: Allow about 1 hour from the Valley. Take PA 100 S to US 422 East. Go 15 miles east to the Oaks/Audubon Exit. Bear right on ramp onto Egypt Rd. towards Audubon/Norristown. Cross under 422 and turn right at first road, New Mill Road (less than 1/4 mile). Parking lot is on left (this lot is usually pretty busy, so park legally wherever you can).

### Pedaling for Pizza

 **C R** / 21 mi 5:30PM Coopersburg Giant

This ride is optimized for people born when Harry Truman or FDR was president. People born when Eisenhower was president will have to hold back a little bit, and anyone younger than THAT will find bungee cords attached to their rear racks. People who were bike racers back in the wool-and-Cinelli era can re-learn wheel sucking, but this time it'll be at a sedate pace not to exceed 15 mph, and usually a lot less than that. We will leave from the Coopersburg Giant at 5:30 every Friday when the weather is decent, go for a ride of, oh, 20 miles or so, and then return to Coopersburg, make a group decision about which pizza joint to invade, and then eat 3X as many calories as we burned on the bike ride. Conversation will be Supremely Intellectual, reflecting the maturity and status of our mature group. Minors will be permitted, provided that their SAT scores are high enough.

A cue sheet ride of 29 or 33 miles. Both routes start at Dave Drummer's house for a ride out toward Kempton and along the Blue Mountain ridge. The terrain is rolling with a few short hills. ### The Muhlenberg Bicycle Lending Program

This program (planned to kick off this Spring) will enable interested students to borrow a bicycle on a short term basis. This initiative is a joint effort of students, faculty and staff.

They currently have three bicycles to get the program started...but they would like a few more. That's where you come in-we are looking for hybrid style bicycles in good working order. If you have a used bicycle in good condition that you would be willing to donate, please contact miles at: [md232620@muhlenberg.edu](mailto:md232620@muhlenberg.edu)

### LiveStrong Challenge

Please mark August 24, 2008 on your calendars. That is the date for this years LiveStrong Challenge. I invite you to join our team for this memorable event. Last year, the LSC raised over \$2.25 million in a single day. Over 3000 riders participated. Our team raised thousands of dollars, and all team members had an incredible day. The community welcomes the riders as we roll through the countryside, cheering us on because of the gravity of our cause.

I urge you to join our team or to make a donation in support of one of our team members. You can learn more about the LiveStrong Challenge by visiting the Lance Armstrong Foundation Web site at [www.livestrong.org](http://www.livestrong.org).
